Dear Representative Osterloh:

You have requested the opinion of this office as to whether school districts are governmental entities protected by the Local Government Anti-trust Act of 1984. The Local Government Antitrust Act states in §2(1)(B) that school districts are covered by the Act. Attached is a copy of the Act taken from the Commerce Clearing House Trade Regulation Reporter.

The foregoing opinion, which I hereby approve, was prepared by Assistant Attorney General Tim Humphries.

Sincerely,

STEVE CLARK
