Little Rock, Arkansas 72201

Dear Mr. Scott:

This office acknowledges receipt of your request for an official opinion. Your request calls for the statutory construction of several terms appearing in §1 of Act 491 of 1985. You further inquire whether regulations issued by the Child Care Facilities Review Board are in conflict with Act 491 of 1985.

Your request for an opinion has been mooted since Act 491 of 1985 was repealed by Acts numbered 40, §10 and 42, §10 of 1985 (1st Extended Session).

Sincerely,

STEVE CLARK
Attorney General
